### IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT

To help the government fight the funding of terrorism and money laundering activities, Federal Law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth and other information that will allow us to identify you. We may check the information you provide against publicly available databases, information obtained from consumer reporting agencies, other financial institutions or other services. If reasonable efforts to verify your identity have failed, we reserve the right to close the account and redeem the shares at the net asset value next calculated after the decision is made by us to close the account.

**Bolded fields are required to be completed and will be verified. If bolded fields in Sections 1 and 2 are not completed, this application will not be accepted.**

**Notice: CollegeAccess 529 Plan accounts are not insured by any state, and neither the principal deposited nor any investment return is guaranteed by any state.**
