- Telephone/Internet Purchase** - Allows for additional unit purchases via ACH with a telephone call to the CollegeAccess 529 Plan or account access via the Internet. Once a request is initiated, the Transfer Agent or its subagent will initiate the transaction by wiring a request for monies to the account owner's commercial bank, savings bank or credit union via ACH. The account owner's bank, which must be an ACH member, will in turn forward the monies to the Transfer Agent or its subagent for credit to the account owner's account. The purchase is normally credited to the account owner's CollegeAccess 529 Plan account the day following receipt of instructions in good order.

Redemptions made with this option may be made via ACH or federal fund wire. Redemption payments made via ACH will be made within one to three business days and redemption payments through federal fund wire will typically be made the next business day and may be subject to a fee at your chosen bank.
